

PACRAT JANUARY 22, 2017 RACE RESULTS - Revised

Results Based on a Par Time of 35.13 seconds

And we're off on another year of racing! The weather was great and the course held up well thanks to our race crew and everyone slipping. No slippers went through the finish, thanks for watching out for that, your timing crew appreciates it. Speaking of slippers, we had a few instances where slippers were not looking up the hill for the next racer and ended up interfering with some of the racers. Please watch for racers and move out of the course well before they reach you. We had 164 racers show up for our first race out of 192 that are currently signed up. If you know anyone who wants to join us, it's not too late. Ragnar's Rangers 2 scored 62 points to take the early team lead with a lot of teams bunched up behind them. So a close race to open the season. Don't be discouraged if your team is not near the top to start as we have seen huge point swings in the past, especially if your team has full participation. We have two boarders this year and we'll score them with the 20% discount as prescribed by NASTAR. This is up from previous year's 10% discount. We have two boarders this year and we'll score them with the 13% discount as prescribed by NASTAR. As for individuals, there's strong competition for fastest man on the hill with Peter Dodd topping the men this race, just edging Paul Soper. Emily Sarich was the fastest of the ladies. Check out the Operations Manual under the About Us tab on the PACRAT website if you have any questions about the rules, scoring, etc. Our next scheduled race is at Meadows January 29. See you there.
