

PACRAT January 27, 2019 RACE RESULTS

Results Based on a Par Time of 21.43 seconds

It was a nice spring day for our second race. Made for softer snow, but that's what salt and a little delay are for. Race 1 scoring had some minor revisions and were reposted. Had to add a point for a racer who DNFed and had inadvertently given 2 points to the bottom half of one group instead of 1 point. It had minor team standing impact. As Peter mentioned at the captains meeting, if you lose a ski more than two gates from the finish, you are a DQ and should gather your equipment and move off the course so the next racer can pass safely (unless you are hurt in which case don't move!). Also, remember to return to the top of course after each run for slipping. We had 174 racers show up for our second race out of 216 that are currently signed up. If you know anyone who wants to join us, it's not too late. Several teams made big moves with Ruttin' Rats moving from 8th to 1st after scoring 66 points. The Beer Denners scored 65 to move from 12th to 2nd and Oregon Reign and NWXventure each scored more than 60 points to make big moves up the standings into the top 10. Three teams are within 7 points of 1st place, six are with 20 points and nine are within 30 points. Still plenty of time to make a move, especially if your team has full participation. As for individuals, Mike Peck was fastest of the men this race and Breanne Morton was the fastest of the ladies. Check out the Operations Manual under the About Us tab on the PACRAT website if you have any questions about the rules, scoring, etc. Our next scheduled race is at Skibowl February 24. See you there.
