

# PACRAT March 17, 2019 RACE RESULTS

Results Based on a Par Time of 41.49 seconds

A nice sunny day made it a little challenging but with a little salt and some time the course made it through the day. Sorry about the number of reruns, but the terrain appeared to impact our radio signals more than normal. Thanks for your patience. AJ Kitt showed up at the start of the 2<sup>nd</sup> run for NASTAR pacesetting and killed it without a preview and with a coat. We have noticed some racers are taking both runs on the same course. Please make sure to race the other course on your second run. In addition to causing delays with more racers on one course than the other, it could be perceived as an advantage, although both courses are set to be equal (we reviewed prior results and there was no material impact). We will monitor more closely going forward and not count second runs on the same course unless authorized by the board. We had 179 racers show up for our third race out of 217 that are currently signed up. The Beer Denners took over 1<sup>st</sup> place with NWXventures just 5 points back. One more race to go and don't forget your best four out of five races count. As for individuals, Peter Dodd was fastest of the men this race and Breanne Morton was fastest of the ladies. Check out the Operations Manual under the About Us tab on the PACRAT website if you have any questions about the rules, scoring, etc. Our next scheduled race is at Timberline March 31. See you there.

Remaining Races/Events: Timberline - 3/31/19; Make-up Race (Timberline) – 4/7/19; Rat Attack – 4/12/19. Race Results and other information are on-line at [www.pacrats.org](http://www.pacrats.org)
