

PACRAT RACE 5 RESULTS: Meadows - 4/1/12

Results Based on a Par Time of 19.87 seconds

I guess the weather gods didn't want us to have a spring race, so we plowed through a wintery day to finish up the season. The race crew set a fast course and there were some fast times. Ruttin' Rats avoided its usual last race swoon and added 44 points to their total (remember we score 4 out of 5) to pull away from the field and hold onto the title they won last year. Chilled Brewskis put on a late charge to move from 3rd to 2nd, edging Rat Racers by three points and Rattitudes by 11 points. Kiss My Wax rounded out the top five and Tasmanian Ski Devils added 56 points to move from 13th to 6th. King and Queen Rat are awards to racers who show the most consistent and greatest improvement over the course of the season. This year's King Rat is Alan Bean (Lab Rats) who improved his handicap every race and showed an overall improvement of 45%. Queen Rat is Jeanne Nyquist (Chilled Brewskis) who showed improvement every race and had an overall improvement of 29%. For race 5, Peter Dodd claimed the last fastest man on the hill title, giving him three for the year. On the ladies side, Christina Post claimed her fourth fastest woman on the hill title of the year. See the last page for the usual annual statistics and please note the correlation between participation and final team standings. We are getting better with the timing and seem to have the group times worked out so hopefully everyone is happy with how the race day schedule is working. Feel free to give the board suggestions to make things better. See you next year.
