

PACRAT FEBRUARY 21, 2016 RACE RESULTS

Results Based on a Par Time of 33.73 seconds

We made it through another day and at least it was snow and not rain falling from the sky. The course seemed to hold up pretty well with the help of Rat Patrol and everyone slipping. There were a couple of hard falls, but it looked like both racers were either able to ski down or were up and about later that day. Here's to a speedy recovery for both! We had a couple of corrections in the first two races. First race had one new skier misclassified so a few racers and teams saw a point or two swing. Second race we had substitution issue that has been cleared up and that also saw few racers and teams see some point changes. For race three, we had 137 racers show up out of 177 that are currently signed up. Schussing Shysters scored a massive 82 points and moved into first place. Oui Ski and The Ocho Plus stayed in the top three, Ruttin' Rats scored 53 points to move up to fourth, and Ragnar's Two scored 65 points to move from tenth to fifth. Still time to make a move up the standings (just ask Schussing Shysters and Ragnar's Two). Remember we score the best four out of five races so that last race could see some interesting team moves. As for individuals, father/daughter Steve Sarich and Emily Sarch were once again the fastest man/woman on the hill. Check out the Operations Manual under the About Us tab on the PACRAT website if you have any questions about the rules, scoring, etc. Our next scheduled race is at Meadows February 28. See you there.

Remaining Races/Events: Meadows – 2/28/16; NASTAR Open, Ski Bowl – 3/5/16; Timberline - 3/20/15; Make-up Race (location TBD) – 4/3/16; Rat Attack (Edgefield – Blackberry Hall) – 4/15/16. Race Results and other information are on-line at www.pacrats.org

Names in *bold/italic* are PACRAT pacesetters.

Names with an * after them are snowboarders. Snowboard times are discounted 10% per NASTAR guidelines. To get your raw time, divide the time shown by 0.9 (i.e. time/0.9 = raw time).

Classifications according to League Rules. Classification for first race based on previous season class finished with downstrikes ("D")/upstrikes ("U") starting anew with the new season. Racers with no prior PACRAT experience classified according to time in their first race of the season. D with an * after them indicates a handicap that is more than one class below existing class, and 2D with an * after them indicates no bonus awarded due to prior race having a handicap that was more than one class below existing class. U with an * after them indicates a more than two class move during the season.
