

PACRAT January 21 (Sunday) & February 2 (Friday), 2024 RACE RESULTS

Results Based on a Par Times of 22.94 (Jan 21 – Meadows) & 18.30 - Red / 18.15 - Blue (Feb 2 – Meadows)

So, it's been a bit of a difficult start to the year. We have been able to get one race in for each session, which makes one full race. Sorry for the delay to Friday's race. It ended up being a broken cable that was not easy to find. We will try to do a better job of keeping everyone informed as to what is going on but it really was an issue of potentially fixing the issue at any moment. The Friday race ended up being a one run race so we are handicapping each course so handicaps will line up more fairly. Because of this you will notice that a few racers have a slower time but faster handicap than some other racers. At least we didn't have to deal with the Govy 500 for either race! As with last year, we are scoring each race day separately and combining each Friday/Sunday race combo score for a single "race" score. The point system divides each category into quarters (with a little tweak for Elite and Beginner) with 5 points if you finish in the top quarter, 4 for the second quarter, 3 for the third quarter, 2 for the bottom quarter, and 1 if you are below the lower cutoff. 1 bonus point will be scored if you improve on your best handicap of the year (subject to downstrike/upstrike rules). For the season we will take the top 4 of each racer's best five scores. We have 203 racers signed up (109 Friday, 94 Sunday) and 165 showed up between the two races.

So Edgy 3 is out to an early team lead, followed closely by Awesome tAles, Ragnar's Rangers 2 and a lot of teams bunched up below them. We have 13 boarders this year and we'll score them with the 20% discount as prescribed by NASTAR. As for individuals, there's strong competition for fastest man on the hill with Kevan Gahan and Steve Sarich topping the men for the first two races. The fastest women were Lynn Norbury and Rebecca Shapiro. A couple of things to keep in mind for the remaining races: 1) racer groups are not that big, which should result in going through the groups quickly, so be ready when your group is up and don't show up after the last group start time for the day (the race crew doesn't want to wait around any longer than necessary), 2) make sure to cycle around to slip the course after each run, and 3) given how things are going so far be mindful that the race venue could change depending on snow conditions. Our next scheduled races are Friday Mar 1 and Sunday Mar 3 at Ski Bowl. See you there.
