

PACRAT APRIL 7 (COMBINED), 2024 RACE & FINAL RESULTS

Results Based on a Par Time of 25.47

Well it took some scrambling, but we got all nine races in! Last race at Timberline was good weather and the course held up. Thanks for everyone's help with course maintenance and course tear-down. It was fun to have both sessions on the hill at the same time. We had 158 racers show for the last race. Remember our point system divides each category into quarters (with a little tweak for Elite and Beginner) with 5 points if you finish in the top quarter, 4 for the second quarter, 3 for the third quarter, 2 for the bottom quarter, and 1 if you are below the lower cutoff. 1 bonus point will be scored if you improve on your best handicap of the year (subject to downstrike/upstrike rules). Now that all races are in, we take the top 4 of each racer's best five scores. BD Racers had all 10 racers there, but it wasn't enough as they slipped to 4th. Will Ski for Beer made a run at the lead coming from 15 back, but fell just short to wind up 3rd, four points off the lead. Awesome tAles did everything they could to grab the title, but came up one point short, finishing 2nd. That means This Isn't Golf wins the title. As for individuals, Kevin Gahan was fastest man the last race on straight time; however, Charles Arnell was fastest if we include the 20% discount for snowboarders (as he was the prior race as well)! The fastest woman was Breanne Morton. As a side note, I didn't look far enough last race to see that Marina Nimmo was fastest Sunday Female racer. King Rat for the year goes to Bill Peck and Queen Rat goes to Marina Nimmo. Please refer to the last page of these results for various season statistics. Check out the Operations Manual under the About Us tab on the PACRAT website if you have any questions about the rules, scoring, etc. See you next year.

Remaining Races/Events: See you next year! Race Results and other information are on-line at www.pacrats.org
