

PACRAT RACE 5 RESULTS: Timberline - 3/23/08

Results Based on a Par Time of 30.19 seconds

Well, finally had winter weather for a race. Fortunately the course was in good shape and it was a fun new course for us. After five races and a tight team race all year, wouldn't you know that it ended up a tie for first! I think that is a first for PACRAT. Drunken Losers and Ruttin' Rats both had a good last race and vaulted in to a tie for first place. Both will share the title and a spot on the trophy. Good to see some teams that either haven't won before or haven't been there for a while at the top. You will note in the statistics that both had good participation which helped their cause. Rounding out the top five were Rocket Dawgs, Rat Chic and Mixed Nuts. King and Queen Rat are awards to racers who show the most consistent and greatest improvement over the course of the season. This year's King Rat is Ryan Brown who improved his handicap in all of his races and Queen Rat is Lori Middleton who showed improvement in three races. The final race saw yours truly back at the top for the men and Pam Loehner was fastest woman again. See the last page for the usual annual statistics.

Remaining Races/Events: Keep your ears open for a summer function. See you next year.

Points with a "b" indicate a 3 point bonus for improving on prior fastest handicap of the year.

Names with an * after them are snowboarders. Snowboard times are discounted 10% per NASTAR guidelines. To get your raw time, divide the time shown by 0.9 (i.e. time/0.9 = raw time).

Classifications according to League Rules. Classification for first race based on previous season class finished with downstrikes/upstrikes starting anew with the new season. Racers with no prior PACRAT experience classified according to time in their first race of the season.
