

PACRAT RACE 4 RESULTS: Meadows - 4/10/05

Results Based on a Par Time of 25.37 seconds

What a great way to end the season. Sunny, firm snow, fast course, champaign when you're done. You'll already know the results before you get this, with Rattitudes making a big push the last race to overtake Avalanche Express, Frozen Assets and Rat Chic to claim the title! A 61 point day will do that. Rat Chic held off the other teams to claim 2nd. The injuries on the Frozen Assets team finally caught up with them as they slid to 6th. I've included various stats at the end of the results for you to check out. Hope everyone enjoyed themselves in this difficult season. I'm sure the snow gods will reward us with a better year next season.

Remaining Races/Events: Next year.

Names with an * after them are snowboarders. Snowboard times are discounted 10% per NASTAR guidelines. To get your raw time, divide the time shown by 0.9 (i.e. time/0.9 = raw time).

Points with a "b" after them mean the racer scored 3 bonus points for improving on their best prior handicap for the season.

Classifications according to League Rules. Classification for first race based on previous season class finished with downstrikes/upstrikes starting anew with the new season.
