2017-18 PACRAT 5 Race Digital photo package.

Individual racer - \$65.00 per person

Teams - \$350.00 per team

Here's the sign up link: <http://www.iwasphotographed.com/Snow/PACRAT-Racing>

Here's what you get –

- 1) Racers who sign up are professionally photographed with top of the line Canon Equipment.
- 2) Teams or individual racers will have their own gallery with download privileges of edited images.
- 3) Use the sequential images for “that shot” to share with friends and family, or Movement Analysis in developing your skiing and racing skills.
- 4) 25% discount on prints and store items. Plus S&H.

*Subscriber Images will be available 1-2 days following the race.

*\$14 fee applies for shipping and handling for CD and Flash Drive requests from White Salmon, WA.

*Offer includes any necessary make up races due to cancelations by the race committee.

Payment – Use the link above and select an option. Checks and Cash are accepted. Make checks out to: Bob Stawicki (only)

Experience counts in getting the shot so here's a bit about Bob:

Stawicki Photography is an Adventure Action Photography Company covering Water and Wind Sports during the summer and Snow Sports during the winter. The company is in it 6th year and is located in White Salmon, WA.

Bob has been shooting sequential movements professionally for over 16 years and has 35+ years experience in coaching skiing that includes 11 years coaching racing. He is a Certified Level 3 PSIA Alpine instructor, PSIA Alpine TD (trainer), and a level 1 Snowboard instructor. He was also the Head Coach for Lake Oswego High School's Alpine Race Team where the use of Video and Stills were used for Movement Analysis of skiing and racing skill development.

Get Movement analysis tips from Bob:

I can show you how to use your legs. I've always maintained that skiing should be as smooth as walking and running. For most of us that changes the steeper we descend, or the obstacles we must manage aka; the course, bumps, powder, trees...

I'm a Coach and a Photographer. Lets put a plan together and take some runs.
