

PACRAT RACE 5/FINAL RESULTS: Ski Bowl – 3/22/09

Results Based on a Par Time of 27.25 seconds

Its been a while since we've run on Dog Leg and it was fun to do it again. And we have a new champion this year. Tasmanian Ski Devils held on for the victory. They have been around for numerous years and now have a spot on the trophy. For anyone who thinks that only the fast teams win, Tasmanian's fastest racers are in the Advanced Intermediate class. Rat Racers ended up second and Racy Brats came in third. You will note in the statistics on the last page that Tasmanian had the top participation which helped their cause. King and Queen Rat are awards to racers who show the most consistent and greatest improvement over the course of the season. This year's King Rat is Francisco Valdivieso who improved his handicap in all of his races and Queen Rat is Lisa Ratzlaff who showed improvement in three races and had an overall 71% improvement over the year. For race 5, Aubrey Lyon edged out Aaron Anderson for fastest man and Barb Parshall edged out Violet Anderson for fastest woman. See the last page for the usual annual statistics.

Names with an * after them are snowboarders. Snowboard times are discounted 10% per NASTAR guidelines. To get your raw time, divide the time shown by 0.9 (i.e. time/0.9 = raw time).

Classifications according to League Rules. Classification for first race based on previous season class finished with downstrikes/upstrikes starting anew with the new season. Racers with no prior PACRAT experience classified according to time in their first race of the season.
