

PACRAT MARCH 16, 2014 2nd RACE RESULTS

Results Based on a Par Time of 22.44 seconds

And here are our 2nd race of the day results. We had 146 racers show up and I think there must have been some tired legs as not as many did a second run as we had the prior race. Awesome tAles scored 64 points and moved from 5th to 1st, overtaking Ruttin` Rats for the team lead. Blizzardos scored 60 points and moved from 7th to 3rd. Its nice to see some new blood vying for the title! 7 teams are within 25 points of the lead. Don't be discouraged if your team is not near the top as we have seen huge point swings in the past, especially if your team has full participation (please note the relationship between participation through three races and team standings). Jay Pollock had a smoking run to claim his first fastest man on the hill crown of the season and Colleen Walter remained fastest of the ladies. We will continue to use the rules that we adapted last year to help combat some of the "sandbagging" issues. Check out the Operations Manual under the RACERS tab on the PACRAT website under the Upgrading by Strike System and Downgrading by Strike System sections. Please note that class barriers were adjusted starting this season to reflect racer distribution over the past five years. Last season was recalculated to put returning racers in the appropriate starting class based on the new class barriers.

Remaining Races/Events: Timberline - 3/30/14; Timberline – Make-up Race - 4/6/14; Rat Attack – 4/18/14. Race Results and other information are on-line at www.pacrats.org

Names in ***bold/italic*** are PACRAT pacesetters.

Names with an * after them are snowboarders. Snowboard times are discounted 10% per NASTAR guidelines. To get your raw time, divide the time shown by 0.9 (i.e. time/0.9 = raw time).

Classifications according to League Rules. Classification for first race based on previous season class finished with downstrikes ("D")/upstrikes ("U") starting anew with the new season. Racers with no prior PACRAT experience classified according to time in their first race of the season. D with an * after them indicates a handicap that is more than one class below existing class. U with an * after them indicates a more than two class move during the season. Racers with no prior PACRAT experience classified according to time in their first race of the season.
