

PACRAT April 4, 2015 RACE RESULTS

Results Based on a Par Time of 22.68 seconds

We got all five races in! Thanks to Meadows and Timberline for doing all they could to allow us to do that. Also, thanks to the board, race crew and all of our racers for helping to pull it off. Remembering that we count the best 4 out of 5 races for each racer, On The Edge added only 19 points to their race 4 total, but it was enough to hold off Avalanche Express (adding 53 points to jump from 3rd to 2nd) and Ragnar's Rangers (also adding 53 points to jump from 3rd to 2nd). Oui Ski added 75 points to its race 4 total to move from 13th to 6th and Racy Brats added 50 points to move from 8th to 5th. King and Queen Rat are awards to racers who show the most consistent and greatest improvement over the course of the season. This year's King Rat is Ken Price (Mixed Nuts) who improved his handicap every race but one and showed an overall improvement of 54%. Queen Rat is Megan Cassidy (Oui Ski) who showed improvement every race and had an overall improvement of 41%. For race 5, Steve Sarich edged Peter Dodd to claim his second fastest man on the hill title. On the ladies side, Masha Los reclaimed the fastest woman on the hill title. See the last page for the usual annual statistics and please note the correlation between participation and final team standings. Feel free to give the board suggestions to make things better. See you next year.

Remaining Races/Events: See you next year. Race Results and other information are on-line at www.pacrats.org

Names in *bold/italic* are PACRAT pacesetters.

Names with an * after them are snowboarders. Snowboard times are discounted 10% per NASTAR guidelines. To get your raw time, divide the time shown by 0.9 (i.e. time/0.9 = raw time).

Classifications according to League Rules. Classification for first race based on previous season class finished with downstrikes (“D”)/upstrikes (“U”) starting anew with the new season. Racers with no prior PACRAT experience classified according to time in their first race of the season. D with an * after them indicates a handicap that is more than one class below existing class. U with an * after them indicates a more than two class move during the season. Racers with no prior PACRAT experience classified according to time in their first race of the season.
