

PACRAT JANUARY 29, 2017 RACE RESULTS

Results Based on a Par Time of 26.69 seconds

We had a few timing issues but were able to get another race in and we had AJ Kitt there to help with our NASTAR pacesetting. Couple of things, first make sure to preview the course, including the finish. We had several racers ski around the blue finish. That results in a DQ. Fortunately we have two runs so everyone got a counting run in. Second, it turns out NASTAR changed its snowboard discount so snowboarders now get a 20% discount. We had 167 racers show up for our second race out of 190ish that are currently signed up. Ragnar's Rangers 2 scored 64 points to stay in first place, newcomer So Edgy scored 59 points to move into second, and Mixed Nuts scored 57 points to move into third. There is a crowded field behind them. Still plenty of time to make a move up the standings as we have seen huge point swings in the past, especially if your team has full participation. We have two boarders this year and we score them with the 20% discount as prescribed by NASTAR. We also have a telemarker and we score them with the 13% discount as prescribed by NASTAR. As for individuals, there's strong competition for fastest man on the hill with Peter Dodd just edging Paul Soper for his second fastest man title. Emily Sarch was again the fastest of the ladies. Check out the Operations Manual under the About Us tab on the PACRAT website if you have any questions about the rules, scoring, etc. Our next scheduled race is at Ski Bowl February 19. See you there.
