

PACRAT March 18, 2018 RACE RESULTS

Results Based on a Par Time of 30.31 seconds

We got our last race in and it turned out to be a pretty nice day. A little new snow that everyone helped clear away. The course held up well throughout the day with some of the fastest times coming on second runs. Thanks to the Rat Patrol and all the racers who worked to keep the courses in good condition throughout the year. Vacations might have resulted in a little lower turnout but we still had 170 out of 218 signed up make it. And the top teams had good participation. The Beer Denners scored a net 49 points (remember we score the best 4 out of 5 scoring races for each racer) and Oregon Reign scored 39 points to put a little scare into leader Will Ski For Beer, who was able to hold onto the lead and take the team title by 6 points. As for individuals, King Rat for the year goes to Dale Parshall who was the only one who showed handicap improvement in all races this year. Queen Rat goes to Emily Christensen who had the best handicap improvement out of several racers who showed handicap improvement in all four races this year. Paul Soper took the last fastest man on the hill title, making it five different racers claiming that distinction this year. Breanne Morton claimed her fourth fastest woman on the hill. Please refer to the last page of these results for various season statistics. Check out the Operations Manual under the About Us tab on the PACRAT website if you have any questions about the rules, scoring, etc. See you next year.
