6	Having a non-IPA option for beer would be appreciated for those people who don't like the strong taste	6/18/2019 1:36 PM
7	great organization and company.	6/7/2019 6:03 PM
8	Wait until last couple of races to us ski area venues but attempt to do one at the area and see if more racers come by because of time & convenience	6/6/2019 2:53 PM
9	I thought the pasta from Rendezvous this year was not very good. It was gummy and bland. I think the frozen lasagna we have had previous years was much better and more economical.	6/6/2019 9:10 AM
10	They are great and we so appreciate all the work that folks put into organizing the after-race parties.	6/5/2019 9:00 PM
11	Again I think you are doing a great job.	6/5/2019 3:47 PM
12	I marked 'GF' on the food question - it would be nice but don't do it just for me. I can bring my own food.	6/5/2019 2:37 PM

18	Love the Multopor Lodge!! Food is awesome so is the crowded room! Like being a bit crowded for the conversations opportunities!	6/4/2019 10:15 PM
19	Raffle prizes felt a little patchwork quilt like this year. Perhaps organize items from sponsors in better groupings instead of just randomly pulling from a box. Would like for them end earlier - if the party starts at 3, start the raffles closer to 4	6/4/2019 6:02 PM
20	none	6/4/2019 2:30 PM
21	The only drawback to hosting parties at MHM is the late day traffic. At least when the party is in Govy, you are halfway back around the mountain at 5 pm.	6/4/2019 2:05 PM
22	Even if there is live timing, the posting of results is crucial to having people intermingle and talk with those they may not know as well.	6/4/2019 1:02 PM
23	the one's i've attended have been fun	6/4/2019 11:22 AM
24	Silly as it is, Wild Mike's at Cascade appeared to be big fun had by all.	6/4/2019 9:14 AM
25		6/4/2019 8:12 AM

26	Museum and multorpor both seem much too crowded and too "dispersed" with people in different rooms and spaces. Cascade Ski Club is much better, and the arrangement with a single room that is big enough for the group makes much better socializing. I would love to see all parties there.	6/4/2019 7:58 AM
27	While GF and Vegan isn't important to me, I appreciate that it may be to others. Just wanting all racers to Party!	6/4/2019 7:22 AM

#	RESPONSES	DATE
1	Make sure sound system allows announcers to be heard	6/20/2019 5:47 PM
2	Schedule on Saturday nights. The world of speed was cool even though a drive worth it though. Better turn out of teams.	6/18/2019 7:27 PM
3	It was fun going to a bar with a band like we did at Charlie's the year before.	6/18/2019 1:25 PM
4	Possible ride sharing to keep guests safe	6/18/2019 12:14 PM
5	The two Rat Attack parties I've gone to seems like most people left right after the awards, and didn't stick around for the band. Perhaps a longer cocktail hour where people can socialize before the dinner might be a way to go.	6/13/2019 8:45 PM
6	I would prefer a dark chocolate bar over a trophy, but I am trying to reduce the "stuff" around my house.	6/7/2019 6:13 PM
7	Great Job Ulla Boolah and your crew awesome decor and theme and food and I loved the band Promote the band as much as possible pre event so people stay which is why a Saturday maybe better	6/6/2019 2:58 PM
8	I would be more interested in a band if the party is on the mountain. In town it seems everyone leaves right after the awards so it's a waste of money. As for prizes I think maybe just give awards to 1-3. I personally have too many mugs and metals. Speaking of metals I don't really care about metals at all. I have too many. Especially the Nastar ones. One way to save some money. Just saying. :) THANKS AGAIN!	6/5/2019 4:00 PM
9	Excellent job on the party - keep up the good work!	6/5/2019 2:40 PM
10	Thanks!	6/5/2019 11:58 AM
11	Make sure the band can play good dance music	6/5/2019 11:18 AM
12	the bar line was too long...food was great	6/5/2019 10:54 AM
13	I would like to see more door prizes.	6/5/2019 8:55 AM
14	This last one was the best! Easy attire Good food great bar. Band was easy to dance to! Not a tweaker band!	6/4/2019 10:21 PM
15	In addition to the standard nastar handicapped/point generated results which can be manipulated by sandbagging, we would like to see pure results based off of race times and rankings also be generated. Perhaps not necessarily for an award but certainly for recognition as for racers who are working hard to improve their times don't get a true feel for their actual achievements once handicaps/bonus points are applied.	6/4/2019 6:10 PM
16	Helmets should be optional, participants discretion.	6/4/2019 5:29 PM
17	The NBA playoffs (Blazers) usually start the playoffs that Saturday in April when the party is. So I liked that the party was on Friday night this year vs 2018 when blazer home playoff game was same time as the Rat Attack party.	6/4/2019 2:33 PM
18	none	6/4/2019 2:07 PM
19	For team prizes, something glitzy for 1st through 3rd (medals, trophies, etc) followed by something functional (the insulated canisters from this year are great) could be a smart way to do it.	6/4/2019 1:08 PM
20	Everyone seems to have a good time.	6/4/2019 11:24 AM
21	Like the band - but need a venue that allows for quality sound system, really enjoyed the last event, but the sound system for both the awards and music was sub par. You get what you pay for.	6/4/2019 9:20 AM

22	All the fun facts and stats were great to listen to.	6/4/2019 8:18 AM
23	Better Bar service would go a long ways to improving the party	6/4/2019 8:10 AM
24	Much better to have it on the mountain, or at least East of Portland. McMenamin's edgefield in Troutdale might be a great location. Nice shirts this year!	6/4/2019 8:02 AM
25	My only suggestion is start a recognition program for the fastest men and women. All of the league is focused on handicap but I'd like to know who is the fastest. Thank you for letting my opinion be heard	6/4/2019 7:27 AM
26	It's once a year, I'll go anywhere and eat anything to hang out and laugh	6/4/2019 7:25 AM
