

PACRAT RACE 4 RESULTS: Timberline - 3/31/13

Results Based on a Par Time of 34.75 seconds

What a beautiful day for a race! Sunny and calm and not so warm that a little salt couldn't keep the course in good condition. Given it was the end of Spring Break and Easter, we had a pretty good showing with 141 racers showing up for our fourth race. The gap narrowed to just one point between the top two teams as Racy Brats scored 61 points with only six racers to take over 1st place! Also making up ground to pull within 20 points of first was Kiss My Wax who had all 10 racers and scored 60 points. Ruttin' Rats fell to 2nd and remain the only team with 100% participation. The top ten teams earn a spot on the podium and virtually every team could get there if everyone on the team shows up to the last race. Also remember we score the best 4 of 5 racers so things could change. Kevin Chapman claimed his second fastest man on the hill while Colleen Walter maintained her fastest woman title. Our last scheduled race is at Meadows April 7, and then it's on to the Rat Attack. Remember to let Andy know how many from your team (including guest) plan on attending so we can order the right amount of food. Barb and Diane have a great Oktoberfest theme planned at the American German Society building on 57th and Sandy. If you need something to do the following weekend (April 27), Schnee Vogeli is sponsoring a Thanks for Snow party at Multorpor Lodge, featuring the Lloyd Jones Band (see your favorite Schnee for tickets).

Remaining Races/Events: Rat Attack – 4/19/13. Race Results and other information are on-line at www.pacrats.org

TEAM STANDINGS – RACE 4

Pl	Team Name	Club Name	Pts
1	Racy Brats (30-39)	Skiyente	217

Classifications according to League Rules.

Classification for first race based on previous season class finished with downstrikes/upstrikes starting anew with the new season. Racers with no prior PACRAT experience classified according to time in their first race of the season.

Names with an * after them are snowboarders or telemarkers. Snowboard and telemark times are discounted 10% per NASTAR guidelines. To get your raw time, divide the time shown by 0.9 (i.e. $\text{time}/0.9 = \text{raw time}$).

Racers with a “b” in the points column earned a bonus for improving on their best handicap of the season as outline in PACRAT’s Operations Manual.
