

PACRAT JANUARY 26, 2014 RACE RESULTS

Results Based on a Par Time of 24.98 seconds

We got our first race in! The weather was great and course had a bit of a tricky start, but we had to make do with what we had given the lack of snow on the mountain. AJ Kitt was there to help us with our NASTAR pacesetting trials. The course held up reasonably well thanks to everyone's efforts with course maintenance. Not too many slippers went through the finish, thanks for watching out for that. We had 160 racers show up for our first race. Ruttin' Rats scored 51 points to take the early team lead. 12 teams are bunched within 14 points of each other between 2nd and 10th and most of the rest aren't that far off. Don't be discouraged if your team is not near the top to start as we have seen huge point swings in the past, especially if your team has full participation. We have five boarders this year and we'll score them with the 10% discount as prescribed by NASTAR. As for individuals, there's strong competition for fastest man and woman on the hill with Ben McKinley topping the men this race and Colleen Walter topping the ladies. We will continue to use the rules that we adapted last year to help combat some of the "sandbagging" issues. Check out the Operations Manual under the RACERS tab on the PACRAT website under the Upgrading by Strike System and Downgrading by Strike System sections. Our next scheduled race is at Meadows February 9. Please note that class barriers were adjusted starting this season to reflect racer distribution over the past five years. Last season was recalculated to put returning racers in the appropriate starting class based on the new class barriers.

Remaining Races/Events: Meadows – 2/9/14; Ski Bowl – NASTAR Open – 3/2/14; Meadows - 3/16/14; Timberline - 3/30/14; Timberline – Make-up Race - 4/6/14; Rat Attack – 4/18/14. Race Results and other information are on-line at www.pacrats.org
