

PACRAT March 12 (Night) & March 26 (Day), 2021 RACE RESULTS

Results Based on a Par Times of 37.28 (Mar 12 – Ski Bowl) & 40.66 (Mar 29 - Meadows)

We got our 6th and final race of the season in. Best I can tell, PACRAT was the only adult recreation ski race league to get a full season in. Thanks for your patience for the weather and various other delays as we have had some timing software issues, but we were able to get all the races in. As explained prior to the start of the race year, we are scoring each race separately and combining each day/night race combo score for a single “race” score. We are also modifying the point system to divide each category into thirds (with a little tweak for Elite and Beginner) with 3 points if you finish in the top third, 2 for the middle third, 1 for the bottom third and 0 if you are below the lower cutoff. 1 bonus point will be scored if you improve on your best handicap of the year (subject to downstrike/upstrike rules). We are taking the top 7 scores for each team for each combined race. We have 151 racers signed up and 121 showed up between the third set of two races. Spring break might have caused a bit of a drop off in numbers. Rattitudes came from behind and scored a whopping and maximum 28 points to claim the overall title, just edging out Broadway Bombers by 1 point and Ruttin’ Rats by 4 points. You will notice that the five teams had very good overall participation. We have 13 boarders this year and we score them with the 20% discount as prescribed by NASTAR. As for individuals fastest men on the hill were Peter Dodd and Mike Peck for the third set of races. The fastest women were Cleo Andersen-Green and Breanne Morton. See you next year!

Remaining Races/Events: Race Results and other information are on-line at www.pacrats.org

See you next year!

NEW RACERS

Names in *bold/italic* are PACRAT pacesetters.

Names with an * after them are snowboarders # are Telemarkers. Snowboard times are discounted 20% per NASTAR guidelines. To get your raw time, divide the time shown by 0.8 (i.e. time/0.8 = raw time). Telemark times are discounted 13% per NASTAR guidelines. To get your raw time, divide the time shown by 0.87 (i.e. time/0.87 = raw time).

Classifications according to League Rules. Classification for first race based on previous season class finished with downstrikes ("D")/upstrikes ("U") starting anew with the new season. Racers with no prior PACRAT experience classified according to time in their first race of the season. D with an * after them indicates a handicap that is more than one class below existing class. U with an * after them indicates a more than two class move during the season.

STUFF: Keep wearing those masks.
