Heritage Night: A Celebration of Culture and Community, Saturday, November 7, 2026

Join us for Heritage Night, a wonderful evening dedicated to celebrating the non-profit Mt. Hood Cultural Center & Museum while supporting its vital operations. This festive event will take place from 6:00 PM to 9:30 PM at the museum in Government Camp. Admission is through an annual membership, starting at just \$30 per person.

Throughout the evening, you'll be treated to complimentary heavy hors d'oeuvres and beverages, with opportunities to win exciting raffle prizes and bid on items in both our silent and live auctions. Our auction features a fantastic array of items, including weekend getaways, gift certificates, sports equipment, wine tastings, ski area tickets and passes, and many other delightful surprises.

Our vision is clear as we work towards our theme, *Expanding the Heart of the Mountain*. Sandi Shaub, Museum Board President, said, "We're actively implementing Phase 1 of our building expansion thanks to generous community members and the State Legislature. This is more than just a construction project; it's a promise to preserve our history more effectively. We're building a bigger space, expanding our reach and deepening our roots within the community. This growth allows us to serve you better, ensuring that our heritage remains vibrant and accessible for generations to come."

As our most important fundraiser of the year, you can help by donating an auction item—if you have a specialty item, a unique experience, or a rare opportunity to offer, please reach out to the museum.

If you're unable to attend but still wish to support us, we welcome any tax-deductible donation, no matter the size. Your contributions will help us continue to preserve and share the rich cultural history of Mt. Hood.

Since 1998, the Mt. Hood Cultural Center & Museum has been committed to showcasing, protecting, and celebrating all aspects of our local history and culture. We work to strengthen our community by fostering an understanding of our shared heritage and preparing for the challenges ahead.

We need everyone's support to achieve our potential - we encourage everyone to become a Museum member and join us at Heritage Night. For more information, contact the Mt. Hood Museum and Cultural Center at [\(503\) 272-3301](tel:5032723301), 88900 Government Camp Loop, Government Camp. You can also visit us online at [Events | Mount Hood Museum](#). We look forward to celebrating with you!
